

## **FACTC Teaching and Learning Demonstrations**

For the past two years, FACTC representatives who host the quarterly meeting are asked to arrange a teaching/learning demonstration. This has quickly become one of the highlights on our agendas.

### **Clark College's I-BEST Program**

*A discussion and presentation about the development, administration and the teaching challenges and triumphs of I-Best.*

<http://www.clark.edu/academics/programs/ibest/>

### **Psychology of Sustainability (Bob Riesenber: Whatcom)**

*A presentation about how to incorporate a discussion about sustainability into your classroom.*

<http://www.whatcom.ctc.edu/about-wcc/about-whatcom/sustainability/committee/>

### **"Ignite" process (Peg Balachowski: Everett)**

*A demonstration by 10 faculty and students about how to use Ignite to deliver quick and entertaining lessons.*

<http://igniteshow.com/>

### **"Go4 It" at CPTC/Bates and Bellevue/Green River's "Teaching Squares"**

**(Phil Venditti: CPTC/Bates)**

*A presentation covering an optional inter-institutional "Talk & Watch" faculty exchange program in Washington State two-year colleges*
